

ANNUAL GIVING CAMPAIGN (AGC)

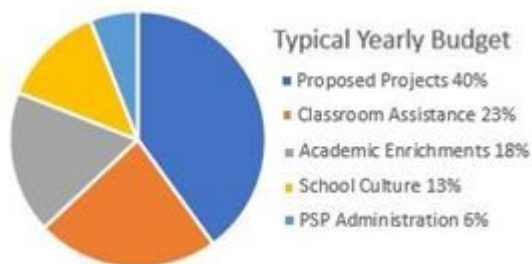

Fact Sheet 2020-21

WHAT IS THE AGC?

The AGC is Gateway's primary fundraiser, co-ordinated by the PSP. It is a fund parents can contribute to, to support school activities.

These funds go towards:

1. **Classroom Support**—the largest percentage goes directly back into the classroom in the form of music & art docent supplies, classroom equipment & technology, and grade level events.
2. **School Culture**—funds go towards building campus community, through school-wide events, such as family nights, Daughter/Son Dances, and a Fall Festival.
3. **Academic Enrichment**—funds help supplement our Core Knowledge curriculum through academic enrichment and character development programs, like assemblies, rallies, and PBIS Character Education.
4. **Proposed Projects**—higher investment projects that provide additional conveniences for staff and students; only available when we have enough funding available.

BUDGET CONSIDERATIONS:

Due to COVID19, this year will see a slight shift in direction to offer a larger percentage to Classroom Assistance, as our teaching staff shifts to create and manage virtual classrooms. This would come in the form of increased funding towards software subscriptions and virtual platforms, and technologies that would benefit classroom teaching.

We do this by providing structure to our volunteers, organizing our school fundraising efforts, planning school-wide community events, and setting up communication platforms to help connect our families.
