ANNUAL GIVING CAMPAIGN

The AGC is Gateway's primary fundraiser organized by the PSP. Family contributions support classroom needs, school culture, and academic enrichment. The suggested donation is \$175 per family. You can find the Annual Giving Campaign fact sheet and more info at GatewayPSP.org/annual-giving-campaign, and you can donate now at GatewayPSP.RallyUp.com/gatewayagc-2021.

HOW DID YOUR GATOR USE THE AGC THIS WEEK?

Did your younger Gator go to PE? Then, maybe they used the **adjustable height basketball hoop attachments!** Or, perhaps, your Gator used their grade level **HUB libraries** to practice reading. With the water fountains turned off right now, all our Gators are also getting a lot of use out of the **water bottle filling stations.** These campus enhancements and student enrichments are paid for through the Annual Giving Campaign!

PSP POP UPS

Thank you to everyone that came out to the first Pop Up! PSP Pop Ups are a casual and safe way for families to connect and get to know each other. All PSP Pop Up info can be found on our website at GatewayPSP.org/events and will be updated as events are added so please check regularly.

RUN ROCKLIN

Join the Rocklin Academy Gateway team for the Run Rocklin event! If our team is large enough, a portion of every team member's registration will be donated back to the school! The event will be held October 17, 2021. Head to RunRocklin.com for more details and registration info.

KEEP IN TOUCH: FAMILY DIRECTORY

Head to GatewayPSP.org/directory to easily connect with other Gateway families! If you signed up last year, you will need to sign in to **change your teacher for this year.**

WAYS TO GET INVOLVED

At Gateway, parents and families are given the opportunity to be an important part of our students' enrichment and growth! There are many ways to get involved. Some of these roles include Room Parent, PSP Liaisons, Classroom Historian, Art Docent, Music Docent, Hub Librarian, and involvement on the PSP team. Find additional volunteer information at GatewayPSP.org/volunteer-information, and read on to learn about vacant PSP team roles!

PSP TEAM RECRUITMENT

Please email GatewayPSPteam@gmail.com if you are interested in any of the following roles or if you would like more information.

TREASURER

The Treasurer is a member of the Executive Board, and will need to attend board and general meetings. As Treasurer, you would be expected to handle check requests, which involves picking up and dropping off paperwork twice a week in the office. You will also learn to use our financial tracking spreadsheets and present account balances at all PSP meetings. Currently, our Vice President is also acting as Treasurer so joining now means you will have her as a mentor for the rest of her term!

COMMUNICATIONS DIRECTOR

The PSP Communication Director will take the lead on all PSP social media and may assist with the monthly PSP Pulse newsletter. We have templates and programs that are helping with social media at this time, and you will have access to a mentor to help with transition.

FUNDRAISING DIRECTOR

The PSP cannot run smoothly without fundraising! As Fundraising Chair, you will help with current fundraisers, plan any additional fundraisers, and help lead the AGC tracking and incentives.

EVENTS DIRECTOR

As we start to move back into a more normal year, there is an increased need for an Events Chair. The Events Chair will take the lead on - and gather committee members for - current planned events, such as Pop Ups and the auction, while also beginning plans for next year's big events like the Harvest Festival and any family dances.

Parent Directory FAQs (Frequently Asked Questions)

****How do we register for the Parent Directory?***

Go to gatewaypsp.org/directory/ and click on the registration link. During registration, sign up each of your students in your parent profile.

****Are all parents automatically in the Parent Directory?***

No, this is an "opt-in" directory. Parents only become part of the Directory when they sign up on the PSP website.

****Is my information shared with everyone in the Directory?***

No, contact information is only shared with individual parents who send you a request, and it is only shared if you choose to respond to a request. Your personal email is also shared if you initiate contact with a parent from the Directory and choose to contact them via email.

****How much of my contact information is shared?***

The only contact information shared is the email address you enter into the Directory at registration. Your email address will only be shared if you send an email through the directory or if you respond to an email.

****I want to be part of the Parent Directory, but I do not want to share my contact information with everyone. Can I still be part of this?***

Once you register for the Parent Directory, your contact information remains confidential. The Parent Directory does not automatically share your email address with other parents just by registering. Your email address is only shared with individual parents who you are in contact with through the directory by either sending an email or responding to an email. Registering in the Directory will allow others to contact you, and you will be able to read any emails they send you. However, if you wish to keep your contact information private, you will not want to respond to direct emails or send direct emails through the Directory.

****I am not part of the Parent Directory. Can I still request parent contact information of other parents in the Directory?***

Only parents who are registered in the Parent Directory can request contact information for other parents in the Directory.

****If I join the Parent Directory, will people outside of the Directory know that I am part of the Directory?***

Only people registered in the Parent Directory are able to search the Directory after they login using a valid username and password. It is not searchable by any users not registered in the Directory or not logged in with valid credentials.

****I don't see my student's friend in the Directory. Why not?***

This Directory becomes more robust when people register for the Directory. People can only be found through the Directory once they register. So, as more parents sign up, more friends can be found.
