## ANNUAL GIVING CAMPAIGN: FUNDS BREAKDOWN

With a school of about 1300 students and more than 70 teachers, funds can be very quickly depleted! Donate today to help us get back to being able to offer each classroom \$250 in reimbursement per school year!

### **Funds breakdown:**

By student: \$11.78

By student per school day: \$0.07

By classroom: \$204.24

## WHAT IS THE ANNUAL GIVING CAMPAIGN?

The Annual Giving Campaign (AGC) is Gateway's primary fundraiser organized by the Parent School Partnership (PSP). Family contributions support classroom needs, school culture, and academic enrichment. The suggested donation is \$175 per family. Our goal is 100% participation, meaning we ask that you donate whatever amount is feasible and within the financial means of your family.

Rocklin Academy is a publicly funded school of choice. Enrichment to our children's education outside of paying for teachers, facilities, and day-to-day expenses, requires replenishment from sources like the Gateway Parent School Partnership (PSP).

The PSP, run entirely by parent volunteers, organizes events throughout the year that engage and bring the parent community together, creating a vibrant school culture. This school culture and parent involvement is what differentiates the Gateway experience.
