What is the PSP?

The Parent School Partnership is a partnership between our Gateway families & school.

We are a volunteer group of parents, family members, & community supporters who partner with the Gateway team to work to enhance campus community, provide school support, and help enrich our students' collective experience.

What is the AGC?

The Annual Giving Campaign is a fundraising effort that allows families to contribute to school enrichment & campus enhancement.

The AGC simplifies fundraising for families so they can focus on being a part of our community rather than worrying about regular sales-based fundraising events.

Some items funded by the AGC include art/photography lab, STEM robots, basketball hoop extender, athletic uniforms, appreciation gifts for staff, hub & leveled libraries, art & music supplies, water bottle refill stations, and so much more!
