

Gateway International Festival

March 17, 6-9 pm

Thank you so much for your interest in Gateway's First International Festival! This will be a wonderful time of sharing and celebrating our diverse Gateway community. We will have exhibits, performances, cultural foods, and art.

Performances are an opportunity to showcase some of the beauty of our countries of origins or of our cultural groups. Feel free to be as creative as you would like to be. Also, feel free to interpret this broadly. Performances can be a dance, sharing a song, reciting a poem, performing a martial art routine, etc. Our school is very large, and we have many talented families. We are asking our families to collaborate as much as possible. If you know of someone else from your country or cultural group who is planning to perform, please reach out and work together for this performance. If you have any questions, please email beckyreal@yahoo.com.

The following are the guidelines for performances:

- Time limit: 2-4 minutes
- Deadline for performance submission is **January 18th**. Here's the link:

- Please provide your own costumes and props.
- A dry run of the performances will take place during the first week of March. Please have a representative from your group join us to get a sense of the flow of the evening.
